| http://connect.amp.com | **Take Me Back!** |

The Internet Archive, working with Alexa Internet, has created the Wayback Machine. Th Wayback Machine makes it possible to surf pages stored in the Internet Archive's web archive. The Wayback Machine was unveiled on October 24th at Berkeley's Bancroft Library. Visit the Wayback Machine by entering an URL above or clicking on specific collections below.

PROBLEMS?

- Special Wayback Collections -

September 11, 2001

The tragic events of September 11, 2001, prompted web creators around the world to respond. This special collection of archived web sites preserves this unique moment i our history. ◀■■ Go Wayback

Web Pioneers

The early years of the internet are a testament to the internet's diversity and ingenuit This special collection highlights a handful of sites that played a role in the early internet. ◀■■ Go Wayback

Election 2000

The United States Elections of 2000 were perhaps the most controversial elections in o nation's history. Use this collection to revisit the historic elections of 2000.
◀■■ Go Wayback

- Other Archive Collections -

Television Archive

A related site, the Television Archive (www.televisionarchive.org) has just launched. I first collection -- concerning the events of 11 September 2001 -- contains television news from around the world. You can watch the broadcasts, read critical commentary and see differing perspectives in coverage from television stations worldwide.

◉ See the Television collection, released October 11, 2001.

Movies

The Internet Archive is collaborating with Prelinger Archives to digitize and put online over 1,000 movies about everyday life, culture, industry, and institutions in the United States in the 20th century.

❀ See the Movies collection

Election 1996

The 1996 presidential election was the first time candidates and political parties used t internet to reach voters. Never before had so much information about candidates' positions, activities, and standing in the polls been immediately available.

❀ See the Election 1996 collection

World Wide Web 1997: 2 Terabytes in 63 Inches

What would a snapshot of the Web look like? Visitors passing through the lobby of the Library of Congress get the picture when they see a sculpture — a stack of computer screens and tapes housing a snapshot of the Web in early 1997 — by Alan Rath. The Internet Archive is proud to have part of its collections in the Library of Congress.

❀ See how the sculpture works
